

SUNNY FOOD CANNERS LTD

INTRODUCTION

Established in 1968, FCL is one of the pioneers of the food industry in Mauritius.

The company manufactures and markets a more than 120 products under mainly the 'SUNNY' brand, including fruit juice, flavoured milk, canned vegetables, sauces, snacks and jams.

As a result of increased volumes of data, Sunny was finding it very difficult to manage their operations on the existing system. After vetting a number of solutions, they opted to go with SAP Business one and iOSys Mauritius who in turn subcontracted ACeTeK.

THE CHALLENGE

- ✓ Complexities of production process
- ✓ Duplication and non-real-time information with Disparate systems
