

“ SAP Business One has made it easier to scale our business. It has given us the ability to keep growing and do more.”

Rajen Patel – Director of Radbone-Clark Kenya Limited

BREAKING NEW GROUND with SAP Business One

BUSINESSES CONSUME HUGE SUCCESS WITH SAP BUSINESS ONE

Leading FMCG company, Radbone-Clark, imports, markets, sells, and distributes quality consumer products. When faced with capacity issues, ACETeK and SAP Business One provided a solution to their issues that gives them greater control over business operations and plenty of room to grow.

Objectives

- Radbone-Clark was previously experiencing capacity issues.
- Product management was difficult.
- There was not enough space to do exactly what was needed.
- New software was required that would help management make more informed decisions faster.

Why SAP and ACETeK

- SAP Business One is an easy-to-use ERP that improves business control.
- ACETeK understood Radbone-Clark's issues, how they needed to be solved and how to get the most out of SAP Business One.

Benefits

- Since implementation, Radbone-Clark now has a higher level of flexibility.
- There is space for continuous growth and improvement.
- Management now has greater control over business processes.
- Business decisions are more informed thanks to real-time data and customizable reports.
- Full traceability of stock inventory makes product management easier.
