

A CONSOLIDATED MULTI-COMPANY
thanks to SAP Business One.

“ We are extremely happy with SAP Business One and ACeTeK. We can now access all our operations remotely, which has been very beneficial to us.”

Jilna Patel – Operations Manager at Viva Global

REFRESH BUSINESS PROCESS FLOW WITH SAP BUSINESS ONE

Importers and distributors of beverages, Viva Global, partnered with ACeTeK to seamlessly implement SAP Business One across their company. With a consolidated system in place, Viva Global can now easily meet and exceed their customers' expectations.

Objectives

- Viva Global was experiencing reporting problems across their company,
- Managing multiple companies was becoming increasingly cumbersome,
- New software was required that could consolidate a variety of different information at the click of a button,

Why SAP and ACeTeK

- SAP Business One offered Viva Global everything they needed, and more.
- ACeTeK offered an extremely satisfying service and were always on hand to answer any queries Viva Global had.

Benefits

- Since implementation, Viva Global can manage inventory in real time.

- Banking has become easier, with a clearer view of sales, including payment method info.
- Reports can not only be created faster; they also include consolidated information from across Viva Global.
- SAP Business One has provided Viva Global with a POS system that allows the team to access all operations remotely.
